

Minutes from the WCWGA Board of Directors meeting of July 5th, 2022 at 4:00 via Zoom.

A meeting of the WCWGA was called to order by Leslie Roberts and in attendance were Connie Thompkins, Lourdes Figuereo, Jackie Groot, and Ginny Miller.

Lourdes contacted Belleair Golf and Country Club in regards to hosting our annual championship. The West Coast rep Dianna N reported there is no availability in April but that they could host on May 1st and May 2nd on the East and West courses. The cost for both days would be over \$200.00.

A discussion ensued among board members where it was thought to be cost prohibitive and the dates in May were not ideal since many members head north by then. Two clubs were mentioned as viable options, East Lake Woodlands and St. Pete. Jackie will be reaching out to ELW's club rep Linda Pratt to explore availability for March 30th and 31st or two days within April 3rd, 4th, or 5th. Lourdes will be contacting St. Pete Golf and Country Club to discuss their availability on the same dates. Leslie stated that WCWGA provides approximately \$2500.00 in prize money for winners to spend in the hosting pro shop.

Leslie is trying to determine who the Brassie's representative to confirm dates for an event but presently has no contact info.

Leslie contacted Mary Lou Kenner from Southern Hills to pursue interest in being the VP of West Coast but did not receive a reply.

Leslie adjourned the meeting by thanking all participants.

Respectfully submitted,
Ginny Miller
